Teacher-to-Parents

Dear Parents,

Thank you for everything you did to celebrate Miss Golden yesterday! Somehow we were able to keep her celebration a surprise. We were able to give her a full box of teaching supplies to get her started in her teaching career. She also received some sweet notes and letters. Miss Golden graduates this weekend, then she will be back to substitute for a teacher that is on extended maternity leave. Miss Golden has promised that she will be coming down to visit often.

Yesterday we were able to take individual pictures of all the students and we also took group pictures with the special shirts Miss Golden made for each student. I will send these out at a later time. Your child can keep the shirts. We would like to wear them for Super Kids Day on Friday.

Super Kids Day is on Friday and this is a fun time. Please prepare your child for this fun day. Here are things you can do:

- ✓ Send your child in clothes to play in (athletic, dresses with shorts underneath, athletic shoes, etc.)
- ✓ Possibly send a change of clothes for the rest of the day.
- ✓ Send a water bottle either reusable or disposable. Write your child's name on his/her bottle
- ✓ Apply sunscreen at home. We cannot apply it at school.

It should be a fun day if Mother Nature helps out!

Have a good week!
Mrs. Kelley and Mrs. King

Week-At-A-Glance

Literacy: We will be writing a shared opinion writing to prepare for students writing their own opinion piece. Students will learn the parts of an opinion paragraph which includes: introduction, opinion statement, reason, conclusion. In skills block we will be learning about a different long vowel e vowel team (ee). We will also learn about the ending y that sounds like long vowel e and the sound /oo/ like in "room". Please be sure to practice this with your child. Here's how we mark them to read.

Math: We are reviewing what we have learned and beginning to take the summative assessment. We will be reviewing equations quite a bit. Here are some examples of what students will have to do:

What is the unknown?	Is this true?
$13 = 17 - \underline{\quad}$	$5 + 12 = 7 + 10$
$8 + \underline{\quad} = 14$	$40 = 30 - 10$

What's Happening

Panorama Survey

We want to hear your perspective on this school year! Please complete our Family Survey. You can use this link surveys.panoramaed.com/wakecounty/family. This survey is your opportunity to share your experience during this school year. The district and school will use this information to guide Family Engagement efforts next year. We appreciate your participation!

AttenDANCE Challenge

Come to school every day April 25th through May 13th to help our class get the highest attendance percentage! The winning class from each grade level will participate in the "AttenDANCE" party on Friday, May 13th (K-2 @ 3:15pm, 3-5 @ 2:15pm). Come to school and Let's Dance!

Super Kids Day

We will have Super Kids Day on Friday May 6th (rain date will be Friday May 13th). Students will have fun rotating through 10 stations during our time (9:40-11:10). Be sure your child is dressed for being outside for a long time doing high activity. Students should wear tennis/athletic shoes since they will be running, hopping, jumping, etc. Students should also wear clothing suitable for active play. Please be sure to send in a water bottle for your child. A disposable water bottle is fine, but a reusable bottle will keep the liquid cold. This is a time of FUN!

ABC Countdown

We are starting a fun ABC countdown on Thursday. You will see an attached countdown sheet. Your child can participate in as many as he/she would like. Some days we are asking for donations. Let me know on Talking Points or by email (tkelley@wcpss.net) if you would like to donate.

Mark Your Calendar

- May 3:** Miss Golden last day of student teaching
- May 3-17:** NKT Math Assessments
- May 5:** ABC Countdown Begins
 - A:** Animal Day (bring a stuffed animal)
- May 6:** Super Kids Day! K-1 (9:40-11:10), 2-3 (11:50-1:20), 4-5 (1:40-3:10)
