Teacher-to-Parents

Dear Parents,

We are starting to get into the routine of school. It is amazing to see how quickly the students learn the procedures and routines of doing school. They are able to do many things from memory such as our class mission statement. We say our class mission statement every day. See if your child can show you the actions:

We are leaders.

We use the 8 habits to be safe and learn so we can go to college and get a job.

We gathered the students ideas about school by asking questions who, what, where, when, why, how questions. Then, we used all their ideas and condensed them into a mission statement we could say every day to remember why we come to school. We also created our class norms. Norms are what you would expect to see (what is normal) if you spent time with the class. We will say these every day too:

We will be kind.

We will listen to others.

We will be safe.

By the time we get to the end of the year these words of wisdom will be very much a part of what it means for them to be a leader at Green

Have a great week!

Mrs. Kelley, Mrs. King and Miss Golden

COVID Reminders

We strive to keep students distanced, but it is not always possible in classrooms and at lunch. For this reason, students will be staying with their table group in all areas: classroom, specials, lunch table. This limits the number of people they can come in contact with at school. **Please be sure to let us know if your child is exposed to COVID. This is extremely important!**

Week-At-A-Glance

Mark Your Calendar

- Sept. 16:** No school, Teacher Workday
- Oct. 1:** \$7 for Scholastic News due
- Oct. 6:** College T-Shirt Day
- Oct. 7:** Readers Are Leaders Night, 6:00pm
- Oct. 11:** No school, Teacher Workday
- Oct. 27:** No school, Teacher Workday

Academics

Literacy:

We are learning about how tools help us do things. We are learning to write about our drawings and add labels. We are reviewing letter names and sounds and segmenting and blending sounds in words. Has your child told you the Alphabet Zoo?

Math: We are learning about tens and ones and how this makes us more efficient mathematicians.

Positivity Project/Leadership:

Curiosity: You like exploration and discovery. You ask lots of questions because you want to learn more about anything and everything.

Habit 8: Find your voice to inspire others to find their voice.

Join the PTA

When you join it benefits our whole school!

What's Happening

Virtual Open House-Thank You!

Thank you for everyone that attended our virtual open house. It was good to be able to share our goals for the year with you. If you weren't able to attend, here is a link to the video that we recorded of the meeting. Please let us know if you have any questions. Transportation

Transportation home has started to settle in. Your child will have a tag on their bookbags. PLEASE don't remove the tags. This is an important policy to ensure your child goes home safely. If your child gets a new bookbag, then cut off the tag and send it in, we will attach it to their new bookbag. Bus riders will have red tags and carpool and walkers will have white tags (coming soon). We continue to have buses that are arriving later than expected both for arrival and dismissal. You can go to this link to find out where your bus is: <https://www.wcpss.net/herecomesthebus>. Remember, if you have not logged in to register your child as a bus rider, you need to do that before they can ride a bus. You will need your student's ID and go to his link: <https://www.wcpss.net/busrider>. You will need to provide transportation until your child receives bus stop information. They process requests in the order received. For carpool riders, please display your number so staff members can see it. Let me know if you need a carpool number.

Here Comes the Bus Info

Remember to call the office with any last minute transportation changes.

Towel for Outdoor Eating

We have been encouraged to eat outside whenever possible. We are asking each child to send in a towel (we have limited space, so no beach towels please) to sit on when we eat outside. We will keep the towels at school and will send them home to wash throughout the year. We would love to get them soon as the weather gets cooler and more pleasant.

Reminders...

Bring a water bottle to school

Water fountains are not available to get water during the day. Students can bring a water bottles. Be sure to label your child's bottle.

Bring a snack to school

Students need to bring a snack to school each day. We have snack at the end of the day and they are hungry. Snack can be as simple as a bag of cereal.

Bring a face mask (and a spare)

We wear face masks in the school except for when they are eating. Students don't have to wear face masks outside as long as they are not up close. Let me know if you want your child to keep their face mask on outside (most kept theirs on).

Contacting us...

Email: tkelley@wcpss.net

School Office: 919-431-8141

School Address:

5307 Six Forks Road

Raleigh, NC 27609

I also use **TalkingPoints** to send messages. This may come has a text from me. This will do translations, but limits the size of my message. You can sign up for the TalkingPoints app.

For important messages during the school day, please contact the school office if the school day has started. This is the fastest way to get the message to me.
